Leading with a Digital Strategy

How to Transform Digitally?

Transforming Life and Organizations in the Digital Age

Nov 13, 2025

**AHMAD RAZA KHAN**

has successfully completed the online, non-credit Specialization

# Advanced Digital Transformation

Through this specialization, learners will gain strategic insights, leadership lessons, and transformation models to usher in a high-performing digital transformation. Through the specialization, learners will learn what are managers doing to transform digitally, how are they transforming, and why is digital transformation being championed across organizations globally. The specialization will cover strategies, models, and drivers for leveraging digital technologies for product design and development, operations, production, customer service, startup operations, supply chain, and governance in different industries

Prof. Pankaj Setia,  
Professor, Information  
System and Strategy  
Areas  
Indian Institute of  
Management  
Ahmedabad

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses.
